PHOTO GUIDELINES

Real photos of your people and offices are the most convincing; licensed stock is fine. JPEG or PNG, colour, natural light, no watermarks or text. Please confirm you hold the rights to use each image and, for any identifiable person, their permission.

PHOTO	SHAPE	MINIMUM SIZE
Portraits / headshots	Square	800 × 800 px
Section photos	Landscape 3:2	1500 × 1000 px
City skylines / wide banners	Wide 16:9	1600 × 900 px
Hero / tall feature	Portrait 4:5	1200 × 1500 px

What we offer

/services

WHAT IT HAS NOW

Five sections with written copy: a CV score out of 100 · specific ways to improve your CV · matched to the roles we're recruiting for · guidance on your rights at work · a consultant when you're a strong fit. No photos.

WHAT'S NEEDED

- ☐ One photo per section (5): someone reviewing a CV · a laptop showing a score · a candidate with a consultant · a workplace scene · a consultant portrait
- ☐ A real, anonymised example of a CV score and one improvement tip, so visitors see what they'll get
- ☐ Consultant profiles for "Talk to a person": name, role, specialism, one line of background, square headshot

NOTES

How it works

/approach

WHAT IT HAS NOW

Five promises and five steps (create account → upload CV → improve your score → choose roles → speak to a consultant), plus sector cards. The four step images are AI-generated black-and-white pictures.

WHAT'S NEEDED

- ☐ Real colour photos to replace the four AI-generated images (3:2 landscape)
- ☐ Optional: a 1-2 minute explainer video, or three screenshots of the candidate account

Sectors

/sectors

WHAT IT HAS NOW

Six sectors, each with a description. No photos, no example job titles.

WHAT'S NEEDED

- ☐ One photo per sector you keep (3:2 landscape)
- ☐ Optional: a short placement story or candidate testimonial per sector (with the person's permission)

WHAT THEY HAVE NOW

Short, factual summaries of how the platform uses information and the rules for using it, in the site's design. They are not a complete legal notice.

WHAT'S NEEDED — FROM A SOLICITOR OR DATA-PROTECTION ADVISER

- ☐ Registered company name and company number
- ☐ Registered office address
- ☐ ICO registration number (UK data protection fee)
- ☐ Lawful basis for processing CVs and candidate data
- ☐ How long each type of data is kept (retention periods)
- ☐ Who the data is shared with (e.g. employers, service providers) and any transfers outside the UK
- ☐ How to complain, including the right to complain to the ICO
- ☐ Any UAE / Gulf data-protection terms that apply to Dubai operations
- ☐ Terms of use approved by a solicitor (liability, acceptable use, governing law)

This text must be written or approved by a qualified adviser. It is a launch requirement and will not be drafted as if it were approved.

HOW TO SEND IT BACK

- ☐ Photos: a shared folder or attachments, named by page (e.g. sectors-construction.jpg), with a note confirming usage rights
- ☐ Text: this PDF filled in, or one document with a heading per page
- ☐ Partial is fine — each page is built in as its content arrives
